

## MASON COUNTY FIRE DISTRICT #4

---

TITLE: PRESCRIPTION DRUGS

CHAPTER: 2000 NUMBER: 2290 APPROVED: 10-07-2008

APPROVED: Signature on file Bob Burbridge, Chief

### Purpose

The District affirms that all members are entitled to a work environment free of hazard or any other detrimental effect resulting from the use of prescribed drugs by any member of the District.

### Policy

Members who are taking prescription drugs on the advice of a physician or over-the-counter drugs that may affect their performance or have adverse side effects shall immediately discuss their situation with their supervisor and obtain written permission before reporting to work. Such members are responsible for disclosing to their supervisor the possible side effects of the prescription drug or over-the-counter drug on work performance and the expected duration of its use. The District will then determine whether a reasonable accommodation is necessary under the circumstances until the side effects of concern no longer exist.
