In an effort to prevent the likelihood of an injury or fatality accident involving one of our members, it is the direction of this guideline to insure that a high-visibility traffic safety vest(s) is/are worn.

Members (on foot) who are exposed to vehicle traffic should don their issued PPE and traffic safety vest.

A reminder that a vehicle traveling at 60 mph, will require 600 feet to stop.

PPE and a traffic safety vest should allow 1000 feet visibility to on-coming drivers.
